Bulk Water Water+ Contract

Account Holder Name: _____

Phone Number: _____

Mailing Address: _____

Email: _____

PIN # (create a 4-digit pin # only you will know): _____

Do you require a subaccount, if so, how many? _____

(Each account requires a pin #, if you wish to have multiple people use the account (i.e., employees), sub accounts can be set up which gives each additional user their own pin# to use)

RESTRICTIONS:

1. You may not allow contact between the filling station pipe and any piece of equipment used to transport bulk water (hard lining)
2. You may not lend, rent, or sell your bulk water account. No one except the undersigned, their direct designate, or the company's direct employees can use the account.
3. This contract may be suspended or terminated at any time as a result of the enactment of the emergency measures of the Water Bylaw or by the decision of Council.

CONDITIONS:

1. Account set up is a one-time fee of \$10.00/account (including subaccounts)
2. A signed and updated contract must be completed annually.
3. Accounts must be used throughout the year, if there is 12 months with no use, you will be contacted for possible account closure.

Failure to comply with these rules may result in the closure of your account.
